➤ 24-hour CCTV observation to avoid sexual harassment and to maintain discipline.

➤ Free studentship and liberal concession in tuition fees.

➤ Student seminars, quiz contests, group discussions etc.

FROM THE PRINCIPAL'S DESK

Dear Applicant, it gives me great pleasure to invite you to take admission in an improved quality-based institution, namely, Surendranath Evening College. Keeping with the legacy of our founder Sir Surendranath Banerjee, a noted social reformer and educationist, our college is committed to imparting, sustaining, and steering all-round holistic and quality education to the students so that they gather knowledge and grow up as responsible global citizens of tomorrow. The college has recorded constant development in infrastructure and learning and is recognised for educational excellence. The college has a green campus with aviary, aquarium, green plants and shrubs, a canteen, and a separate ladies' common room with 24 hours CCTV observation. Besides, the college has ICT class rooms, a seminar hall, a well decorated assembly-hall, computer laboratories, a N-Listed Library, an Internet based IT laboratory etc.

The college focuses on improving the quality of teaching and learning. There have been several steps already taken towards this like facilitating power-point presentations, ICT teaching and learning, training for competitive examinations and use of charts, graphs, videos etc. as far as possible. The faculty members also conduct seminars, group discussions, quizzes etc. in the classrooms to help the students and to make them well acquainted with the curriculum clearly and to build them as well-equipped students in a global environment.

The college also organises compulsorily parent-teachers' meetings to evaluate the progress of students before they appear in their final examination and to give suggestions for the better improvement of the students. It is indeed a unique privilege to our students to become a part of this college family.

I convey my best wishes to all of you and your families for choosing our college and for taking admission to the various courses on offer. Thank you all. Wish you the best of luck.

Dr. Jafor Ali Akhan

Principal

Management: Governing Body

The governing body of the college consists of the following members:

- Dr. Rathindranath Basu, President
- Dr. Jafor Ali Akhan, Principal/ Secretary
- Sri Debasish Banerjee, Govt. Nominee
- Prof. Basudev Halder, Nominee of WBSCHE
- Sri Angikar Banerjee, Nominee of Calcutta University
- Smt. Protishtha Adhikary, Nominee of Calcutta University
- Prof. Urmila Sen, Teaching Representative
- Prof. Debapriya Sanyal, Teaching Representative
- Prof. Amit Das, Teaching Representative
- Sri Subhajit Chakraborty, Non-Teaching Representative
- Student Representative

Management: Governing Body

Internal Quality Assurance Cell (IQAC)

The cell comprises of the following members:

Principal and Chairperson	Dr.Jafor Ali Akhan
Co-ordinator, IQAC	Dr. Supti Saha Roy Associate Professor, Dept. of Chemistry
Senior Administrative Officers Representative	Dr. Md. Tofazzal Hauque, Principal, Umesh Chandra College
	Sri Basudeb Halder, Assistant Professor, Surendranath College for Women
Management Representative	Dr. Diptendu Chatterjee, Deputy Registrar, University of Calcutta (Acting)
Local Society Representative	Sri Debasis Banerjee, Advocate, Govt. NomineeG.B. Member of Surendranath Evening College
Members	1. Smt. Urmila Sen, Associate Professor, Dept. of Economics
	2. Sri Debapriya Sanyal, Assistant Professor, Dept. of English
	3. Dr. Debasis Manna, Associate professor, Dept. of Mathematics
	4. Dr. Amit Das, Assistant Professor, Dept. of Commerce
	5. Dr. Sanjit Sarkar, Assistant Professor, Teachers Council Secretary, Dept. of Physics
	6. Dr. Averi Guha, Assistant Professor, Dept. of Chemistry
	7. Dr. Tapas Kumar Paira, Assistant Professor, Dept. of Chemistry
	8. Smt. Satarupa Saha, Librarian
Industry Representative	Sri P. K. Pandey
Student Representative	

VISION

The vision of this college is to impart education and knowledge at all levels of the society which was the main aim of our founder Sir Surendranath Banerjee, a great a patriot of Indian freedom movement and a great educationist cum politician of pre-independence India. Keeping with the legacy of our founder, the college is committed to imparting, sustaining, and fostering all-round holistic and quality education to the students coming from every stratum of the society so that they gather knowledge as well as employable expertise and grow up as responsible global citizens of tomorrow. The institution envisages evolving, improving, upgrading, and remaining committed to its laurels of heritage in conformity with the immortal words of the *Upanishada*, namely "*Damyata*" or Restraint, "*Datta*" or Charity and "*Dayaddhyam*" or non-violence, and with modern outlook to make the college a centre of excellence for higher education and research. The vision of our college is to build up a sound human resource base of this state and to attain the status of a model Evening college in the eastern region of India.

MISSION

All of us are familiar with the most familiar Sanskrit phrase "Chhatranam adhyanang tapoh". Taking inspiration from the maxim, our mission is to provide a thorough, ethical, and aesthetic foundation to the character of our students. Going beyond formal pedagogy, we wish to develop our college as a model human resource centre in eastern region of India, which would not churn out only students but build human beings who are humble, yet bold and confident. Thus, our motto "Vidya dadati vinyanang.". Surendtanath Evening College vows to attain the objectives of a true model Evening college in West Bengal.

Keeping the above view, the mission of the college is to inculcate love of knowledge and provide holistic education to the students coming from every stratum of the society, so that they emerge as true human beings who can make significant contributions as responsible citizens of tomorrow. In order to achieve this, the college coordinates the activities of the teachers, students, and other staff members to ensure smooth functioning and all-round development of academic as well as other curricular activities.

Our Objectives: -

- To become a centre of excellence in higher education avoiding all barriers.
- To excel in all areas of teaching, learning, research, and consultancy.
- To be a bridge between the rural-urban divide, taking the benefits of value-based quality education to the poor and marginalized, aiming at their empowerment.
- To promote and practice inclusive growth and development.
- To provide equal opportunities to the deserving and meritorious students irrespective of caste, creed, and gender.
- To promote cultural and communal harmony.

- To make our institution a significant knowledge contributor in transforming our nation from a developing to a developed one by acting as responsible and concerned citizens and to make this world a better place in the process.

Our Belief

We believe that higher education in diversified fields of studies is most fruitful when individuals at every level of our society share it. This is well reflected when our students excel in their employment places. We believe that "knowledge imparts humility". We also believe the words of Swami Vivekananda 'Education is the manifestation of perfection already in man.' Our aim and mission will be successful when we shall be able to fulfil the above goals.

Basic features of Our College & Students

The college is located near Sealdah Railway Station which is well connected by railway lines to a vast hinterland. The hinterland covers vast urban, suburban, and rural areas. Many families coming from poor financial, social, and educational backgrounds, reside near our college. The students from these families find place in our college. Further, students employed during day time or busy otherwise, get admitted to quest their thirst for knowledge and learning. Our college bears a tradition over the decades. The college is located at the heart of the cosmopolitan city, Kolkata, and in the vicinity of Sealdah and Howrah Railway Stations and the college is in the immediate proximity to the University of Calcutta. It is well connected by rail, bus, and road.

Our forefathers vowed: Quality Education through Dedication

Our college imparts education amongst the students at all levels of our society with greater attention towards the downtrodden, to fulfil the goal of our nation at large. The college pledges its devotion to the pupils of our country. By means of academic audit, reviewing of institutional processes by involving faculty members, students, and staff, we are continuously trying to improve our delivery of teaching services at the lowest possible cost.

Our college is presently governed by a democratically constituted Governing Body, of which two members are nominated by the University of Calcutta, two members nominated by the Director of Public Instructions, Government of West Bengal, one member from Local self-government, four members representatives from Teaching Staff, two members representatives from non- teaching staff, and the General Secretary of Students' Union. The college follows the government orders and instructions on finance matters relating to salary and dearness allowance disbursement to the staff.

With an objective to provide access to the eligible, meritorious, and needy students of economically and underprivileged background to higher education, Surendranath Evening

College was established in the year 1961 with four most essential subjects: Bengali, English, Hindi, and Commerce. In 1963, some more subjects were added, namely, Political Science, History, Economics, Sanskrit, Urdu, Mathematics, Chemistry and Physics. The aim was to fulfil the ambition for higher education of those youngsters of Sealdah and suburban areas of Kolkata, who had to stop their studies after schooling to get a job to sustain the needs of their families. But their desire for higher education was prevented from being nipped in the bud as Surendranath Evening College gradually obtained affiliation in almost all those subjects which were relevant and need based.

On request from Surendranath Evening College, Kolkata, the NAAC Peer Team, Bangalore, has already visited the College on February 28th & March 1, 2007 for the validation of Self-Study Reports to assess and accredit this college. Surendranath Evening College has multi-faculty programme options for students willing to opt either for Arts, Science or Commerce at six-semester, three-year degree level courses under Choice Based Credit System (CBCS). The students must appear in and pass the University Exams after the completion of each Semester for being promoted to next the next semester. The success rate in different disciplines is as follows: Commerce (85%), Physics (98%), History (95%), Electronics (95%), Political Science (90%), Computer Science (90%), Sanskrit (71 %) and in Urdu (75 %). Beginning with Commerce, English, Hindi, and Bengali in 1961 the college got affiliation for Political Science, History, Economics, Sanskrit, Urdu, Mathematics, Chemistry & Physics in 1963 for better options to students. To cater to the need-based subjects and more job-oriented opportunities the College started courses in Electronic Science (now Electronics) and Electronic Equipment and Maintenance in 1996 with addition of one more relevant subject, Computer Science in 1991. After a gap of about nine years, the college has given one more option to the students by introducing the subject, Geography, since 2006.

Teaching – Learning and Evaluation

All teaching and administrative work is carried out throughout the year except for stipulated holidays. Presently, semester-wise teaching system is followed and to complete a course, it is essential to pass University Examinations at the end of each of six semesters in the three-year degree courses in Science, Arts & Commerce. The teachers carry out various types of administrative responsibilities, besides teaching and academic duties. Almost all teachers in substantive posts have been awarded a Ph.D. degree and most of the remaining ones are in the process of acquiring one. Teachers of our college actively participate and present papers in State, National and International Seminars and conferences. Some have undertaken UGC Sponsored Research Projects. The teachers also have many publications, both at the international level as well as at the national level, in academic journals, books, newspapers and magazines to their credit. The college is also running a unit of National Cadet Corps (NCC).

Our college has twice received NAAC accreditation, following visits by National Assessment and Accreditation Council (NAAC), a body of the University Grants Commission (UGC) in 2007 and 2013**. We are looking forward to another NAAC visit soon.

History of the college

OUR FOUNDER: Surendranath Banerjee (10th November 1848 to 6th August 1925) was one of the greatest stalwarts of India's freedom movement. In addition to being a great patriot, he was a polymath, orator, and statesman. As a visionary, he realized that education was the weapon to fight the evil of colonialism and attain the sovereignty of mind. Surendranath Banerjee was one of the great pioneers in the history of India's freedom movement. He is regarded as a great patriot and scholar. As an educationist, he devoted himself wholeheartedly to the cause of higher education in the country. In 1882, Surendranath Banerjee took over the charge of Presidency School. Early in 1884, this school was converted to Presidency Institution. Later in the same year it became a degree college named 'Ripon College. In 1885, a Law department was added and a new college took shape as Ripon Law College. In 1949, two years after attaining independence in 1947, Surendranath College was formed, named after the illustrious founder. The establishment of the Commerce section in 1940 and the Evening Science section in 1947 eventually made way to the formation of SURENDRANATH EVENING COLLEGE in 1961.

The formation of our college

From the outset the college had affiliation for Commerce, Science and Arts with pass and Honours courses in Commerce from 1961. In the year 1996, the University of Kolkata affiliated Honours course in Bengali. The introduction of Computer Science, Electronic Science (now Electronics) and especially Electronic Equipment Maintenance (Vocational) at degree level in 1998-99 and Honours in Marketing in Commerce stream in 2004-05 has been an important step towards making this college a model evening college. It is a matter of pride that Electronic Equipment Maintenance was introduced in this college for the first time in the entire Eastern region of India. Besides, the University of Calcutta affiliated Honours in Electronic Science (now Electronics), English, Hindi, and Urdu. The university has also affiliated Geography as a general course. Since then, honours courses have been started on Physics, Chemistry and Mathematics. Our college is recognized by the UGC U/S 2(f) and 12(B). Its parent body is the University of Calcutta and a Governing Body governs it. The college admits students irrespective of caste, creed and religion and teaches through the medium of English and Bengali, according to the syllabus laid by the University of Calcutta.

Present History

Located at the heart of the cosmopolitan city, Kolkata, in the vicinity of Sealdah railway station, just at the end of the flyover on Mahatma Gandhi Road and in proximity to the Howrah station and the University of Calcutta, our college has the architecture of old colonial days with wide corridors and spacious classrooms. With an impressive roll-strength, the college premise is nevertheless clean and well maintained. It is one of the oldest and most famous evening colleges in the eastern India. Continuously upgrading its facilities and academic environment, the

college constantly organizes seminars on multi-dimensional topics with the active participation of teachers, students, and scholars. To keep pace with the globalized world, the college is about to introduce some market- oriented courses subject to approval from its parent body. The college also has an active Placement Cell which ensures that students reap the benefits of their education by getting jobs. A family of teachers, eminent in their own academic fields, serve the college with complete dedication. In addition to the formal lecture method, tutorials and special classes are regularly held. The student-teacher relationship is respectful and friendly. The non-teaching staff of our college, who tirelessly work to maintain accounts, and records, help delivery of round-the-clock water and uninterrupted power, all crucial for a sound academic ambience, ably uphold this peaceful academic environment. The college also maintains several committees and sub-committees to look after the day-to-day affairs and grievances of students. The college organized a tri-language (Hindi, Urdu, and Bengali) "Kavita Utsav" which reflected national integrity and language harmony. Writers, poets, scholars, researchers, students, and luminaries participated in the programme. Our college authority takes up all efforts to maintain healthy water supply facilities, power supply in power shedding hours, and maintains a sound academic environment. Our college maintains a healthy balance between formal as well as informal interactions amongst faculty members with a view to deliver quality teaching services for all concerned. The committees and sub-committees perform all delegated responsibilities with all sincerity. Our college earnestly organizes different cultural activities through which students get opportunity to cultivate their talents.

Ambience of the College

Admission process is completely online. As a result, it is not only transparent but also convenient. The full admission process is done by online software. The direct payment through Punjab National Bank has been launched to make the admission process more convenient and transparent to the students. Application for online admission to the college is started just after the announcement of the results of the Higher Secondary Examination, ISC, CBSE, and other Boards. Eligibility norms for application are put up on the college notice board and online after publication of the results, adhering to the very guidelines of the University of Calcutta. An applicant is required to fill in separate online applications for each subject applied for. Prescribed online application form must be duly filled in by the candidate along with the uploading of his signature and photograph within the stipulated date given by the admission board. It is a must for students residing outside Kolkata to give a contact number and the name of a local guardian, who will undertake all the responsibilities of the applicant, if required. The following documents must be submitted at the time of admission.

1. Xerox copy of admit card and the mark sheet of class- X & XII

2. Xerox copy of age verification certificate e.g., admit card of class- X.

3. A certificate of character (along with recent passport size photograph) from the Head of the Institution last attended and other relevant documents, as may be considered

necessary by the college admission board. (If selected, before admission the office will verify originals of all the documents submitted).

4.   The admission board of the college allows the students to take admission on first come-first- serve basis purely based on Merit List published online.

5.   The college authority/admission board reserves the right to change/modify the above procedures with proper notification.

Admission of students from other University and Boards of Education in India and from foreign countries is governed by the regulations issued by the University of Calcutta or the State Government or the Government of India from time to time. All such admission will be treated as provisional, pending formal approval of the University. All such students must produce migration certificate from the University or the Board of Education from which they are migrating, in addition to other relevant documents as are required for admission. Admission of students from other Universities or Board is liable for cancellation provided they fail to submit the migration certificate on time.

Transfer and withdrawal from the college may be permitted strictly according to the prescribed rules and regulations of the University of Calcutta. Application for transfer or withdrawal from the college must be made in writing to the Principal and countersigned by the Guardian.

Note Very Carefully

1.   Students with subject combinations other than as prescribed in the Prospectus will not be admitted.

2.   The College may, however, restrict its teaching to only a certain number of combinations of subjects.

3.   As per University Notification, all candidates coming from Distance Education/Open System of Learning will be admitted to college as per university norms.

4.   All applicants must take a note on selection of subjects. Students are advised to select their subjects very carefully, as rules for change of combination of subjects are regulated strictly by the prescribed rules and regulations of the University of Calcutta.

Guidelines for 3-Year Degree Courses: General & Honours

1.   Examinations for the Degree Courses at the University level are conducted in accordance with the notifications/ circulars/ syllabus of the University of Calcutta.

2.   At present, the college offers Honours in Bengali, English, Hindi, Urdu, Accountancy, Marketing, Physics, Chemistry, Mathematics and Electronics subjects.

B.Sc. General (I)

Any three Subjects: 1. Physics, 2. Mathematics, 3. Chemistry 4. Computer Science 5. Electronics Along with English and Bengali or Hindi or Urdu are as compulsory subjects.

B.Sc. General (II)

Any three Subjects: 1. Geography, 2. Economics, 3. History. Along with this English and Bengali or Hindi or Urdu are as compulsory subjects.

B.Sc. Honours

HONOURS in Chemistry: General Subjects: 1. Physics 2. Mathematics. Along with English and Bengali or Hindi or Urdu as compulsory subjects.

HONOURS in Physics: General Subjects (any two): 1. Mathematics 2. Chemistry 3. Electronics 4. Computer Science. Along with English and Bengali or Hindi or Urdu as compulsory subjects.

HONOURS in Mathematics: General Subjects (any two): 1. Chemistry 2. Physics 3. Electronics 4. Computer Science. Along with English and Bengali or Hindi or Urdu as compulsory subjects.

HONOURS in Electronics: General Subjects (any two): 1. Physics 2. Mathematics 3. Computer Science. Along with English and Bengali or Hindi or Urdu as compulsory subjects.

B.A. Honours

HONOURS in Bengali and any two of the following Elective Subjects: History, Philosophy, Political Science, Economics/Sanskrit/Geography.

HONOURS in English and any two of the following Elective Subjects: History, Philosophy, Political Science, Elective: Hindi/Urdu/Bengali.

HONOURS in Hindi and any two of the following Elective Subjects: History, Sanskrit, Political Science, Elective English, Geography.

Course and Credit structure as well as syllabus for semester-wise 3-year B.Com. course under CBCS can be found at: https://www.caluniv.ac.in/cbcs-ug/ug-files/Course-Structure-Syllabi-BCom.pdf

GENERAL INFORMATION

ATTENDANCE AT LECTURES

Every student must attend regularly all classes as held in the respective subjects and must meet the minimum requirements of the University in this regard. As per requirements of the University, a student must attend at least 75% of the classes held in each subject, for being considered as regular students. Science students, not attending theoretical classes regularly should not be allowed to attend practical classes in the respective subjects.

Promotion and permission to appear at the University examination are subject to not only satisfactory record or work but also regular attendance/lectures, tutorials, practical and fulfilment of other conditions as required by the University.

STUDENTS PERFORMANCE

Success rate of students of the department generally have around 85% and it varies marginally from year to year in tandem with variation of the University rate of success.

EVALUATION

A cumulative and continuous assessment procedure is followed for assessment of our students. Performance of our students is continuously monitored by our respective departmental teachers. For advanced-level students, a few topics of advanced type are also taught. Tutorial classes are also held, the objective of which is to upgrade the weaker students and to motivate students for independent thinking and learning. At the end of each year, a guardians' meeting is called after the test examination, to exchange information and to discuss the evaluation reports with the students' guardians for better feedback.

CHANGES MADE IN THE COURSES (Past Five Years)

Courses are taught according to Calcutta University (C.U.) syllabus. Since 2018, the college is following the semester-wise Choice Based Credit System, which has been introduced for all subjects by Calcutta University

COLLEGE HOURS

Classes are held from 4-15 p.m. to 9-15 p.m. subject to alteration from time to time for the interest of students.

COLLEGE MAGAZINE

The students, under the supervision and guidance of teachers, publish a college-magazine. The magazine contains their creative writings, poems, experiences about tours etc. "SARASWAT" is the name of the magazine in which the teachers, students, seminar participants contribute their valuable writings.

OFFICE

In an academic organisation, the office plays a very significant role in maintaining and preserving records and in maintaining liaison between teachers and staff, staff, and students etc. Keeping this in mind, our college office maintains a very dynamic, modernized, systematic

and service-centric role for the benefit of our students, teachers, staff, and outsiders. The college office meets its students' requirements adequately. The office is fully computerized and well furnished, which starts its functions from 2-15 p.m. to 9-00 p.m. on all working days.

LIBRARY

The library remains open during college hours. Issue of books is subject to the rules printed at the back of the library card given free of charge to every student. Our college possesses an equipped library both for reading and lending of text books meant for the students as well as teachers. Our college has an excellent library containing multiple copies of latest text books in all disciplines. Our library is proud to have an accomplished librarian who is aided by dedicated library employees. Students can use the library from 4-15 p.m. to 8-30 p.m. on all working days.

Computers are installed in the library for cataloguing and to facilitate the activities in the library. Internet facility is also provided in the library. The college is a subscriber to N- LIST consortium under NME-ICT project. Most of the departments also have books in their departmental library to support research.

QUALITY ASSURANCE

The college has formed an Internal Quality Assurance Cell (IQAC), the members of which are listed at the outset. The cell looks after all quality-based activities in the College in consultation with the Teachers Council. Besides, the College has formed anti-ragging cell, anti-harassment cell etc. to maintain a peaceful environment inside the college premises. The college also has an Eco-Club to foster an eco-friendly environment inside the college.

N.C.C. (NATIONAL CADET CORPS)

Prof. Sanjit Sarkar, has taken charge of N.C.C. as Caretaker officer Coy-3, 2nd Bengal Battalion N.C.C. from the session 2015-16. Students of the college have the opportunity of joining N.C.C. as earlier.

DEPARTMENTAL COMPUTER FACILITY

All science departments and the department of commerce are well equipped with personal computers and laptops. Besides, the department of Commerce has a separate I.T. (Information technology) Laboratory, having several computers to provide computer facilities to the students of commerce. Moreover, all the other departments can avail broadband internet facilities at the IT Laboratory. IT Laboratory

and the central computer system are monitored from the office. Besides, the college has a fully computer based I.C.T. class room where all departments can get the benefit of computer-based teaching and learning processes.

COLLEGE WEBSITE

The college has a very well-designed website having the url: http://www.surendranatheveningcollege.com, from where, students can access all college-related important information easily. Students can download prospectus, admission forms and other important documents and information both for Honours and General Courses of studies from the website. Students may also complain through website regarding any kind of problems they may face. They also be able to contact the head of the respective departments and head of the all cells to make any appeal easily through the website.

WATER SUPPLY

Adequate supply of purified water for drinking and cleaning purpose is provided. Water purifier machines are available throughout the campus and all floors of our college to provide clean and safe drinking water for all.

GENERATOR

In order to overcome the troubles at the time of power cuts, a heavy generator has been installed to ensure power supply throughout the college in the evening hours.

AUDITORIUM

College has a beautifully decorated spacious Modern Auditorium, which is being utilized for conducting social functions, meetings, seminars, exhibitions, and other short programs of the college.

PLAYGROUND

The college does not own a playground of its own, but has a wide and spacious courtyard. Students organize indoor game competitions like cricket, five-a-side football, volleyball, badminton, musical chairs, carrom, table-tennis etc. in which the teachers, non-teaching staff, and students participate each year.

CANTEEN

College has a well-designed and spacious canteen which provides healthy and tasty food to both the teachers and students at moderate prices throughout the day and evening.

COMMON ROOM

The college has separate common rooms for boys and for girls where students play indoor games such as Table Tennis and Carrom during the break periods.

AUDIO VISUAL/ PROJECTOR

The college has a well-equipped I.C.T. class room where audio visual projector machine is used for teaching and learning. The facility is shared by all the departments. It is also used for seminars and workshops organised by teachers and students inside the college campus.

GAMES AND SPORTS

Keeping in mind the holistic mission of development of the personality of students, the college provides adequate facilities in N.C.C (National Cadet Corps). In addition, as already mentioned earlier, indoor as well as outdoor games and sports facilities are provided in abundance. Annual sports meet is organized every year. Important personalities are invited to grace the occasion.

FRESHERS'WELCOME, ANNUAL SOCIAL AND IF-TAR PARTY

Keeping in mind the moral and mental development of our students, our college allows students to organise Freshers' welcome, Annual Social and Iftar Party, Blood Donation Camp and other functions and ceremonies every year. The college organises Annual Social at Netaji Indoor Stadium, Kolkata, jointly with Surendranath group of colleges. The college organises illustrious "KAVITA UTSAV" to maintain language harmony.

YOGA/GYMS/MOUNTAINEERING/ EDUCATIONAL EXCURSION

College is thinking to organise yoga, gyms, and mountaineering in the years to come. Educational excursion is being organised every year by the students under the guidance and supervision of a teacher.

HEALTH CHECK UP

Students can have health check-up by qualified doctors at the Students' Health Home.

CO-CURRICULAR ACTIVITIES

College students organise sit and draw competitions, antakshari duels, dance, drama, vocal music, recitation, debate, extempore, quiz, essay writing, mock parliament competitions, blood donation camps, campus-cleaning movements etc. The college students publish wall magazines and college magazine from time to time. An online college magazine is also published both by teachers and students.

ALUMNI ASSOCIATION

College has formed an alumni association. Our alumni are holding various positions in many organizations throughout India and many have also become eminent political leaders

EXAMINATION & PROMOTION

College holds academic examinations from time to time to evaluate the progress of the students. The students get their promotion to the next higher class after passing through class tests and annual Test examinations. Most of the examinations are conducted following the rules and regulations prescribed by the University of Calcutta.

PARENT-TEACHERS' MEETINGS

At the end of test examination of each financial year, a parents/guardians-teachers-students meeting is held to discuss the progress report of the students and to allow them for the final examination. It is compulsory for the parents or guardians of the students to be present in the said meeting failing which students are not allowed to fill up their forms for appearing in the final examination of Calcutta University.

STUDENTS' SEMINAR

Several departments in our college regularly organize seminars on different issues by the students to cultivate their educational as well as oratory skills and to equip themselves for higher studies.

GRIEVANCE REDRESSAL CELL

A grievance redressal cell functions under the chairpersonship of the Principal with the internal members of the college. The cell tries to redress grievances brought to the notice person concerned. The college website also has a link for the same where students can login and post their grievances.

POOR WELFARE FUND

College maintains a poor welfare fund to provide some financial support to the poorest of the poor students on production of relevant proof like BPL ration card, Income certificate of parents, etc. A few students are also allowed to get free studentship out of the said fund after considering the actual financial status of their families as well as their academic backgrounds.

SAFETY AND SECURITY MEASURES

College tries to maintain adequate level of safety and security measures. The total college campus is under the observation of CCTV cameras. The main gate of the college is fully protected by 24 hours security guard.

LABORATORY

College maintains adequately equipped Chemistry as well as Physics laboratories having more than 4000 sq. ft of combined room space, despite acute space constraints in this densely crowded cosmopolitan city. College has sufficiently equipped Computer Science, Electronics and Information Technology practical labs having more than 1500 sq. ft. of room space. The IT lab of the college is fully equipped with sufficient computers and internet facilities.

IDENTITY CARDS

Every bona fide student of our college must possess a college identity card, which must be duly endorsed by the Principal. The identity card must be renewed every academic session. Each student must show his/her identity card at the main gate and as and when the same is required

for verification. For obtaining identity cards, students must clear their dues on time. For loss of identity card, a duplicate identity card is issued on payment of Rupees Ten. A police diary must be made and documentary evidence for the same must be submitted for the purpose.

RAILWAY CONCESSION

Monthly Railway Concession forms are usually issued by the college office to the bona fide students of the college who come from suburban areas within 10th of every month between 5 p.m. and 7-30 p.m. For obtaining railway concession, students are required to clear all dues within the stipulated time.

KNOWLEDGE-EXCHANGE PROGRAMS

The college has arranged different knowledge exchange programmes with the power of MOU between other colleges. The teachers of other reputed colleges take classes in our college following the guidelines of UGC thereby providing new experience-cum-knowledge to our students.

CAREER GUIDANCE AND CAMPUS INTERVIEW

Students have opportunities to prove their expertise through the campus interviews which are organized from time-to-time with particular focus on computer applications, information technology and electronics. Career guidance classes for those appearing in competitive examinations are also organized by the college authority with the help of experts.

SEMINARS

Besides imparting theoretical and practical education in various disciplines in a classroom set-up, the college earnestly endeavours with the active support from the respective departments, to organize seminars/workshops/group discussions. The college also organises state level/national level seminars with the financial support from UGC. The Department of Commerce and Department of English, Department of Political Science and Department of Urdu have already organized departmental seminars on "Information Technology and Its Applications", "Financial Planning for young investors", "Paradise Lost", "Higher Education in the era of Globalization" and "Majaaz Lucknavis Poetry" respectively.

DISCIPLINE

1. In addition to the normal conduct and discipline, the behaviour of each student is expected to be modest.

2. Irregular attendance, unexplained absence, habitual late coming, disobedience and misbehaviour by students are monitored and steps taken to rectify the same.

3. Consciousness about the college property is nurtured by the monitoring cell.

4. Parents or guardians are called upon to inform them regarding the poor attendance, poor performance of their sons and daughters.

5. The use of unfair means in examinations invites expulsion from the said examination.

6. In case a student has any special kind of illness/ailment/disease the guardians must bring the same to the notice of the college authority with medical certificate.

7. Each teacher as well as student is expected to conduct himself/herself with dignity and maintain decorum and decency regarding wearing of dresses and general behaviour. Students are expected to show due respect not only to the members of teaching /non-teaching family members of the college, but also to other students.

8. Students are expected to observe silence and tranquillity in the library as well as when walking down the corridors (especially when classes are going on). They are not allowed to loiter or make crowded-gossiping in the corridors.

9. Chewing of tobacco/khaini/Pan Parag/gutkha in any form/smoking in any corner in the college campus is strictly prohibited. Offenders are reprimanded and threatened with disciplinary actions.

10. Spitting inside the class/corridors/ steps and in any corner of the college building and writing in the walls is subject to heavy penalty. Spittoons are installed in every corner of the college campus.

11. Students must be present in their respective classes immediately after the bell rings at the beginning of each class. Each student has to respond to the teachers' roll calls in each and every class. Students must not disturb the teacher and the class when it is in session, unless they have specific questions on the topic being taught. They must not enter or leave the class without the permission of the teacher concerned.

12. Classroom/library/laboratory equipment and furniture must be treated gently with care.

PAYMENT OF FEES

Monthly tuition fees must be paid before the end of each month unless otherwise notified. For delay in payment, a fine of Re 1 per day may be charged. The name of the defaulter for one session will not be retained on the rolls for the next session; class promotion will be withheld unless all arrears of the previous session are cleared. Fees are to be paid along with the acknowledgment card duly filled in between 5 p.m. to 7-30 p.m. Following charges are to be paid by the students:

Duplicate Acknowledgment card: Rs: 30/- (ii) Duplicate Identity Card: Rs:30/- (iii) Failure to return Library Books within due date: Rs: 30/- (iv) Change of Subject: Rs: 100/- (v) Change of Course: Rs:100/- Students migrating on transfer certificates in the middle of the Session or in the middle of a course of study cannot be admitted. Admission of a student based on Migration Certificate is only provisional and subject to obtaining sanction from the University of Calcutta and is liable to be cancelled if the case is not reported to the University within one month from the date of admission and on account of non-submission of necessary documents by the student concerned.

N.B. In case any of the requisite documents cannot be produced immediately, authentic evidence must be submitted showing that student has applied for the same. Documents not produced at the time of provisional admission must be submitted within thirty days thereafter.

ADMISSION

Admission commences immediately after publication of Higher Secondary or equivalent examination results and closes on the dates notified by the University of Calcutta.
Thereafter admission may take place only with special permission given by the University of Calcutta. Application for admission must be submitted online in the prescribed format to be had from the college website. The total admission process is carried out online. Students are advised to follow the college website properly and regularly for filling up application forms, observing merit lists and for all other relevant formalities. At the time of admission, students must produce (a) Admit Cards & Mark Sheets of Madhyamik & Higher Secondary Examinations in original. (b) School/College Certificate where last studied. (c) Two copies of recent passport size photographs. (d) SC/ST certificate (in case of SC/ST students). e) Migration certificate (if required) with original copy of application which had been submitted online.

PARENTS-TEACHERS MEET

At the end of Test Examination of each class, a parents-teachers meet is usually arranged by the quality assessment cell of the college to share the class attendance and performance of the students in the examinations with the parents and guardians and discuss ways on how to bring

improvement of the same. Notices of such meetings are generally put up at the end of each examination. It is compulsory for all parents/guardians of the respective students to attend such meetings.

CASUAL AND UNSUCCESSFUL STUDENTS

Casual and unsuccessful students who do not intend to attend college classes shall have to pay Rs. 300/- only for appearing as a casual candidate.

Minimum percentage of attendance for appearing in final University Examination as collegiate students is 75% of Lectures. No student will be sent up for appearing in the University Examination even as a non-Collegiate student unless the percentage of attendance in lectures is at least 60%. Besides, results in the internal and periodical examinations, if any, will also be considered for the same.

Students: Developing a positive attitude towards life is extremely important for a successful and happy life. You must think good, feel good and do good. The world is waiting for you. Be great in thought, word, and deed! Get rid of negative outlook on life and believe in happiness, and you will be happy... try smiling when the weather is bad! Try to smile in the face of difficulties and you will become an object of glory for yourself and a source of inspiration for others. Great achievement often requires long, tortuous, bitter experiences, powerful enough to drive one to despair. But one must rise above disappointments, neglect and sorrow and renew the pledge of devoted action. We cannot wait for things to happen to us. We must make them happen to us. We must act and compel fortune to smile on us. Just be up and going. Persist in your struggle just a little longer and success will be yours.

BEST PRACTICES (1): We have a Poor Welfare Fund Committee which comprises of Prof. Debasis Manna and Mr. Ashok Chatterjee. All economically underprivileged students are requested to apply to this committee with proof of income of family attested by a local government functionary. The selected students are given full waiver with respect to college fees and other financial expenditures incurred. Till date a huge number of students have benefitted from the program. In addition to this the Poor Welfare fund also prioritizes applications received from the socially underprivileged sectors like the SC/ST and other OBC categories. The objective of the practice is to give a much-needed relief to the eligible and meritorious students coming from an economically underprivileged background. The college realizes that to tackle the issue, individual acts of waiver considered as special cases (enacted through the Principal's discretionary power) would not do. It would be a cosmetic step and fail to solve the problem at the structural level. Hence, the setting up of the Poor Welfare Fund under the supervision of a committee consisting of two full time teachers is quite meaningful. CONTACT PERSON FOR FURTHER DETAILS: Dr. Jafor Ali Akhan, Principal, Surendranath Evening College, 24/2, M.G. Road, Kolkata-700009.

BEST PRACTICES (2): Surendranath Evening College has been acting as a study centre for Netaji Subhas Open University (NSOU) since 1998. It has been functioning from inside our

campus. NSOU conducts **Post graduate courses** in 11 subjects as well as Under graduate courses in various subjects of equal value attached to the degree courses offered by the Calcutta University and other universities in India. Teachers of our college also take classes at NSOU on every Sunday and some classes on Saturdays as and when required to fulfil the needs of the students. NSOU offers the following courses. 1. Bachelor Development Programme (BDP) in Arts, Library Science & Commerce., 2. Post Graduate Programme in Bengali, History, English, English Language teaching, Political Science, Education, Mathematics, Library Science, Social science, and Commerce. A person who has attained the age of 18 years can enrol himself at the study centre for the BDP programme. The normal course fee for the course is around Rs. 20,000/- including tuition fees, study materials and books per year. The minimum period of completion of the BDP course is 3 years. Surendranath Evening College study centre of (NSOU) offers Bachelor's programme leading to B.A., B.Sc., B.Com. degrees. The minimum qualification is 10+2 passed. Students of BDP programmes are subjected to continuous evaluation in the form of assignments. Every student is required to submit the assignments before term end examinations. Term end examinations are held at the end of every semester. Credit system is in operation, with regard to evaluation of students.

PG Courses: NSOU study centre of Surendranath Evening College centre has become an important centre for students intending to pursue Master degrees. It offers Master degrees in various subjects consisting of **Arts, Science and Commerce**. Students of PG courses are evaluated based on internal assessment as well as Theoretical examination. Examinations are held on Saturdays, Sundays or on holidays. The study centre distributes the assignment papers and arranges for their evaluation. The study centre arranges for holding of examinations in accordance with the schedule fixed by the University from time to time. Surendranath Evening College is placed under the supervision of a co-coordinator. Presently the position is held by Prof. Urmila Chowdhury (Sen). The co-coordinator is assisted by three office staff and eleven counsellors. For further information follow **NSOU website** or contract Biswajit Mishra, Phone No. 8013432432. Recently, NSOU has started admission in BDP and PG courses through online mode. From 2017, NSOU has also started two-years Bachelor of Education (B. Ed.) course for general students.
