ONE DAY INTERNATIONAL WEBINAR on **"RECENT TRENDS IN COMPUTER SCIENCE & ITS APPLICATIONS"**

Organized
By
**Department of Computer Science & IQAC
of
Surendranath Evening College**

Date:
25th August 2020

Time:
7:00 pm - 9:00 pm

ABOUT THE COLLEGE :

In the year 1884, the renowned intellectual and nationalist, Surendranath Banerjee founded Surendranath College in Kolkata. Over the years three more sister colleges were added and Surendranath Evening College began its distinguished journey from 1961. Surendranath Banerjee was not only a patriot and one of the foremost voices in India's freedom struggle, but also a visionary educationist. True to his principles Surendranath Evening College has inspired and fostered thousands of students in their path to glory and success.

THEME

The current trends in computer science are Machine Learning (ML), Blockchain, Cyber Security, Internet of Things (IoT) and Big Data. Points-to static analysis focuses on determining which memory locations variables point to. This is key to understanding aliases to the same memory locations for static analysis of software programs. Aliases can get complex due to pointers, call-by-reference, array indexing, and forms of polymorphism.
