But one must rise above disappointments, neglect and sorrow and renew the pledge of devoted action.....we cannot wait for things to happen to us; we must make them happen to us ... we must act and compel fortune to smile on us just be up and doing ... persist in your struggle just a little longer and success will be yours.

BEST PRACTICE (1) : The Poor Welfare Fund Committee consists of Dr. P.C Maity, Prof. Debasis Manna and Mr. Ashok Chatterjee. All economically underprivileged students are requested to apply to this committee with proof of income of family attested by local government functionaries. The selected students are given a full waiver regarding college fees and other financial expenditures incurred. The number of students who benefited from this programme in the academic year 2012-2013 was 163 and for the academic year 2013-2014, the number is 486. Incidentally the amount disbursed for the year 2013-14 from the college fund for this purpose is Rs. 1,02,500 (One lakh two thousand five hundred only). In addition to this the Poor Welfare fund also prioritizes applications received from the socially underprivileged sectors like the SC/ST and other OBC categories. The objective of the practice is to give a much-needed relief to the eligible and meritorious students coming from an economically underprivileged background. The college realizes that to tackle the issue, individual acts of waiver considered as special cases (enacted through the Principal's discretionary power) would not do. It would be a cosmetic step and fail to solve the problem at the structural level. Hence, the setting up of the Poor Welfare Fund under the supervision of a committee consisting of two full time teachers is quite meaningful. CONTACT PERSON FOR FURTHER DETAILS: Dr. Iqbal Jaweed, Principal, Surendranath Evening College, 24/2, M.G. Road, Kolkata-700009.
